OPEN FRIDAY NITES 'TIL 9 P.M.

New Church, Sunday School Founded in North Torrance

A new Sunday School and Church will be started on Sunday in the North Torrance area, meeting in the recreation building back of the office of the Higgins Brick and Tile Co., 2217 West 174th street. The Sunday school will begin at 9:45 a.m. and the church service at 11 a.m.

This new organization temporarily will be sponsored by the First Methodist Church of Torrance in cooperation with the Southern California Council of Protestant Churches. Rev. Mrs. Clarence E. Miller, wife of Rev. Miller of the Torrance Methodist Church will conduct the services. She is fully ordained by the church as a minister and is a graduate of the School of Religion of the University of Southern California with the degree of Master of Theology.

The Southern California Council of Protestant Churches is made up of the following denominations: Christian, Congregational, Evangelical, United Brethren, Evangelical and Reformed, Friends, Methodist, Presbyterian, Reformed Church of America, United Brethren (Old Constitution), United Presbyterian, Church of the Brethren, First Christian Reformed, African Methodist and Lutheran. Representatives of these de-

nominations meet once each month under the direction of Rev. Roy Crouch of the Church Council, and allocate the different territories to certain denominations as their responsibility for starting new work. This is done in the spirit of Christian cooperation so that our new communities in Southern California might be adequately churched without duplication and unnecessary competition.

The Methodist Church has been given the responsibility for establishing a Community Church in North Torrance to minister to the needs of the members and constituents of the churches cooperating in the Southern California Council of Protestant Churches.

The Sunday School will use high grade Biblical lesson materials in conformity with the standards of the Church Council. It is the aim of the Council of Churches to establish

Director of Temperance Federation to Speak Here

Dr. H. H. Donneworth, executive director of the California Temperance Federation, Southern Area, will be the pulpit guest this Sunday at 11 a. m. in the Central Evangelical United Brethren Church, according to Rev. U. S. Schauer, pastor.

The federation, presenting a united front in the fight to defeat the alcoholic beverage problem, is an interchurch agency of 25 Christian denominations and church groups of the state. Its aim is to educate the youth and adults through a co-operative temperance ministry.

HIGH MONTH

More gasoline, propane, butane and other high-test motor fuels were distributed in California in September of this year than in any other September in the state's history. State Board of Equalization Fourth District Member William G. Bonelli announced this week.

Sunday schools which teach children the Christian way of life which meets the needs of modern society, according to Rev. Miller, pastor of the First Methodist Church. The local church is just the temporary sponsor of the new church, until such a time that the Southern California-Arizona Council of the Methodist Church can appoint a regular minister and establish a permanent Methodist Community Church.

was for six years the state superintendent of the interchurch Temperance Movement of Colorado. He was also director of education of the Temperance League of Illinois for two years, during which time he inaugurated the first state-wide program of alcohol education in the public schools.
